Mechanics

General

- All questions are welcomed
- All ideas are welcomed
- Be constructive
- Allow others to contribute

Small Group Discussions

- You've been assigned a group number (1-5)
- Your group will identify a note taker and a spokesperson for each of the 4 scheduled small group discussions.
- Your group will meet in a specified breakout room to discuss a series of questions/topics, you may also add your own topics based on what you hear.
- At the end of each day the spokesperson will summarize highlights from the small group discussion (3-4 minutes, 1 slide)

Goals

- Spirited and Constructive Discussion
- Identification of Key R&D and Policy needs
- Prioritization of Actionable next steps

Deliverables

- PDF of all presentations
- Contact List of Participants
- ERDC Technical Note summarizing results of workshop

Logistics

- Arrive on time & keep to allotted time
- Cell phones on silent
- Keep sidebar discussions to a minimum or take them out of the room
- **Wi-Fi:** MorganLewis **Password:** Diversity203
