

Contaminated Sediment Beneficial Use Workshop
Washington, D.C.
March 26 and 27, 2024

Day 1: Introductions, State of the Industry, Technical and Economic Topics

Start time	Duration	Topic	Presenter
8:00	30	Breakfast and Networking	All
8:30	10	Opening Remarks, Introductions, Workshop Objectives	Moore
8:40	20	State of the Industry: Challenges to Beneficial Use of Contaminated Sediments	Mohan
9:00	20	Recent Contaminated Sediment Beneficial Use Efforts	Moore
		Progress Updates on FY23 Broad Agency Announcement (BAA) PPP Funded Projects	
9:20	20	Presentation of Results (BAA Project 1) - Sediment Bacteria Mining for Endophyte Inoculation and Phytoremediation Beneficial Reuse	Austin
9:40	20	Presentation of Results (BAA Project 2) - Development & Application of LCA model to facilitate Beneficial Use of Sediments from Confined Disposal Facilities	Magar
10:00	20	Break	All
10:20	20	Presentation of Results (BAA Project 3) - Laboratory Scale Evaluation of Combining Advanced Oxidation Process with Sediment Stabilization for Beneficial Use in Construction	Rao
10:40	20	Presentation of Results (BAA Project 4) - Field Demonstration Testing of Contaminated Sediment Beneficial Use at Two Regional Sites	Mohan & Ghosh
11:00	15	Technology Highlight: 3-D Printing	Kennedy
11:15	15	Technology Highlight: Pearl Harbor Case Study	Rosen
11:30	60	Facilitated Panel Discussion: Technology	Toll, Bentsen, Stern, Mohan
12:30	60	Lunch and Networking	All
13:30	50	Small Group Brainstorming Discussions: Technology	All
14:20	20	Economics to Support Decision-Making	Rockel & Nicollette
14:40	20	LCA to Support Decision-Making	Magar
15:00	15	Break	All
15:15	15	Circular Economics: European Perspective	Wijdeveld
15:30	40	Facilitated Panel Discussion: Economics/LCA	Rockel, Nicollette, Magar, Wijdeveld
16:10	40	Small Group Brainstorming Discussions: Economics/LCA	All
16:50	40	Recap / Sharing of Day 1 Small Group Discussions	All
17:30	90	Networking Opportunity at Morgan Lewis (Drinks and Light Refreshments)	All

**Contaminated Sediment Beneficial Use Workshop
Washington, D.C.
March 26 and 27, 2024**

Day 2: Regulatory, Policy, and Liability Topics

Start time	Duration	Topic	Presenter
8:00	30	Breakfast and Networking	All
8:30	15	Day 1 - Summary & Takeaways	Moore
8:45	60	Facilitated Panel Discussion: State of the Regulatory/Policy Environment	Brutche, Wyatt, Sivak
9:45	15	Break	
10:00	40	Small Group Brainstorming Discussions: Regulatory/Policy	All
10:40	20	State of the Industry: Legal Liability Considerations	Morgan Lewis
11:00	40	Small Group Brainstorming Discussions: Legal Liability Considerations	All
11:40	20	Workshop Takeaways, Action Items , and Next Steps	All
